**BRIDGING THE GAP BETWEEN NEUROSCIENCE AND EYE CARE**

## PHOTO / VIDEO RELEASE

As the Mind-Eye Connection gains recognition, both nationally and internationally, we are requested to present lectures and seminars for other professionals. These lectures may be supported with pictures and/or videos of different testing and services we offer. We are requesting permission to use your/your child's photo/video for informational and learning purposes. Examples in which your/your child's photo/video may be used could be (but not limited to): The Mind-Eye Connection Facebook page, The Mind-Eye Connection website, lectures and/or seminars. Please note: the use of photos/videos does not warrant payments, discounts, reimbursements, or any compensation of any kind.
